# Our Differentials

We are specialists in solutions to create and repair objects at home.

Quality since the beginning

Our products ALWAYS maintain the same QUALITY from their origins.

Leading Brands

We have been sharing stories with our consumers for over 50 years.

For all households

Products for all family members and for all needs.

Easy to use

Our products are VERY EASY TO USE, you don't have to be a professional to use them.

# THE PERFECT ALLY

Longer lasting BONDS

# All about POXIPOL®

POXIPOL® is a 2-component adhesive, of great strength and durability.

It's simple to prepare and use. It hardens in only 10 minutes. With POXIPOL® you can glue a variety of materials: metal, cement, earthenware, wood, marble, glass, concrete, fiber cement, ceramics, granite and porcelain.

POXIPOL® is ideal for home repairs, workshop, car, work, hobbies, and crafts.

POXIPOL® comes in two types: METALLIC and TRANSPARENT.
